END OF SEASON REMINDERS & UPDATES

Hello Sherkston Owners! As the season is coming to a close we have some reminders for you. Take a look!

Closing Date

The park will close October 31st at 5pm and the process of shutting down the water supply will begin immediately. Day visits are permitted from November 1st onwards, between the hours of 9am and 5pm. Please remember there will be no washrooms available so plan accordingly.

Winterizing ❄

Winterizing is a very important step in park model/RV ownership to ensure no surprises upon opening in the spring! If you haven't already, be sure to schedule your winterizing, or complete it yourself if you're up to it. [Click here](#) for the Empire RV Service and Repair winterizing form, or visit www.sherkstonshares.com for a list of other approved contractors.

Hydro

Hydro invoices will be sent in December with an expected due date sometime in January 2022. These invoices are sent by email, so please ensure you have an up to date email address on file with us and keep an eye on your inbox!

Parking, Boats & Trailers

A reminder that all boats, seadoos, kayaks, sail boats, utility trailers etc must be removed from the resort by November 1st. Any item remaining after this date will be considered abandoned and removed from the resort.

If you are able to and have room, parking is permitted on your site, between trailers. No parking is permitted on the road during the off season.

Garbage

The garbage depots throughout the resort will be closed on November 1st. Please do not leave any garbage or large items at the depots. There are large green dumpsters at the soccer field for off season use.

Fee notices have been sent by email, if you have not received yours, please contact the Welcome Centre to receive your copy.
