

Private Rental TICO Information Webinar

Hi <<First Name>>,

We have some information to share with those owners who rent privately or are interested in managing rentals for others. If you do not rent your unit, or have no interest in this topic, please disregard this message.

For the 2022 season, a new rule was put into place which has raised some questions in regards to renting privately. The rule is:

- If you are operating a 3rd party rental service/agency, advertising and renting park models/RVs on behalf of others, you must be registered as a Travel Retailer (Travel Agency) with the Travel Industry Council of Ontario (TICO). Proof of registration must be provided along with your approved contractor application prior to your first reservation arrival.

As a result, TICO has arranged two information webinars specifically for Sherkston Shores owners with their Compliance Department.

To view more information or register for one of the information sessions, please click here:
